

## GET YOUR CHRISTMAS FITZBILLIES DELIVERY FROM PLUMBS' DAIRY

When it comes to creating a delicious Christmas, we know what we're doing. Since we opened our doors in Cambridge in 1920, we've been baking award-winning mince pies, decadent fruit cakes and spiced gingerbread by hand, with care.

There's nothing like the warmth of freshly baked Chelsea buns – especially now you can buy them ready-to-bake in your own oven. These days, we combine traditional flavours with popular sweet treats, like our festive brownies and seasonal macarons.

Whether you're sending thoughtful gifts or stocking up your own pantry, make this Christmas truly special by choosing an authentic taste of Cambridge. This Christmas we are delivering Fitzbillies goodies with Plumbs' straight to your door. This enables you to enjoy our festive goodies without leaving the house, as they are all delivered with your Plumbs' order.
